

3-18-79 Sunday

Dear Vickie and Jimmy,

Mike was here and left a few minutes ago for home. He did come over Friday night but we were in bed and didn't hear the door bell so he went to the Holiday Inn for the night. He had several meetings while here but we had a chance to visit with him Sat. evening before he left for another meeting. He also had meetings this morning and

only had time for a cup of coffee and then when he got back it was soon time to leave for the airport. One of his staff workers came over to get him.

As of now we have given up the idea of renting our house and moving. It really would be easier to sell and move out completely but we don't think that is a very good idea. I would love to live in Alexandria but there is so much to think about and Dad thinks it would be better to make trips back there and stay for awhile instead. I will continue the big job of cleaning out the almost thirty years we have lived here.

Alad is feeling almost  
back to normal now and  
still isn't smoking. He said  
he has smoked for over  
fifty years and never  
will again.

Maybe we will drive  
out in May. Alad wants to  
also stop in Minneapolis but  
that part sounds just  
terrible to me. I just hate  
that place, but I don't  
mean the people who live  
there.

More soon,

Love,  
Mama
